

GRANTS: A FUNDER'S PERSPECTIVE

with Shaqui Scott

LOOK FOR FUNDERS WITH GRANTMAKING APPROACHES THAT:

- Support Applicants**
- Have Processes That Educate Applicants**
- Provides Transparency To Applicants**
- Fosters Evolution Through Evaluation**

3 QUESTIONS TO CONSIDER BEFORE APPLYING FOR A GRANT

- Who is this grant program for? Who can apply for this funding?**
- Who is this grant program meant to serve?**
- What are the goals of this grant program?**

GREAT QUESTIONS TO ASK FUNDERS WHILE APPLYING FOR A GRANT

- How many people typically apply for this support or funding?**
- Out of those applying how many people receive support?**
- Does this funding program historically partially fund or fully fund?**
- How often does this program fund a year?**
- Can you receive feedback on your grant application? If so, was your application a good fit for the program?**
- How are your grant applications reviewed? Who makes the funding decisions?**
